

Medicare **Annual Enrollment** Checklist

It's important to review your Medicare coverage every year before the Medicare Annual Enrollment Period (AEP), October 15–December 7, 2021. This checklist can help you prepare as you review your plan options.

SECTION 1: Health Changes

Has my health changed in the last year?

- Yes No

Health changes: Consider your health and lifestyle. *Note any changes below.*

SECTION 2: ANOC Review

Review your Annual Notice of Change (ANOC) carefully when you get it in the mail in the fall. Items to identify and review:

Benefits being added to your plan:

Benefits being removed from your plan:

Changes to providers in your network:

Changes to in- and out-of-network coverage:

Changes to prescription drug coverage:

SECTION 3 (A): Cover Benefits

Coverage benefits: Answer each question below to help decide whether to keep your plan or explore other options.

Does my Medicare plan cover my current health care needs?

- Yes No

Note any additional needs below.

Will any of the plans changes for the upcoming year impact my health care needs?

- Yes No

Medicare **Annual Enrollment** Checklist
